Mr. John Blank,

509 W. 83rd St., New York.

Dear Sir:

The interest awakened by the exhibition of Medals at the Century Club has brought forth the suggestion that the members might appreciate an invitation to associate themselves with American Numismatic Society.

We Have just published the medal commemorating the dedication of Joan of Arc Park, and a Peace medal is to be issued on the conclusion of the negotiations. Membership implies the right (but not any obligation) to subscribe to such medals as the Society may issue, as well as the right to ~~ear~~ a copy of our printed publications. The annual dues are five dollars. We should be very glad to have your signature to the enclosed card.

Very respectfully yours,

Secretary
